From Seed to Supplement®

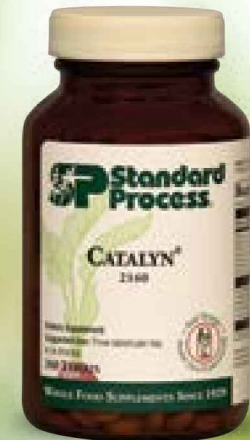

At our office, we believe that given the proper nutrition, your body has the amazing capability of keeping itself healthy. We also believe that nutrition should be individualized to meet each patient's needs. For these reasons and many more, we proudly recommend Standard Process supplements, formulated following the whole food philosophy of the company's founder, Dr. Royal Lee.

# Catalyn® Makes Everything Work Better

STANDARDPROCESS.COM

*How can you make your body work better?*

One way is to eat a healthy, whole food diet. Eating well is simple in theory but tougher in practice. Even the super health-conscious among us can't always avoid processed foods, added sugars, and unhealthy fats.

**That's where Catalyn comes in.**

Catalyn's unique formulation was created to combat deficiencies in nutrition caused by a refined food diet, deficiencies many of us have.

Discover the power of nutrients delivered the way nature intended—in whole food form.

**Catalyn. The supplement that makes everything work better.**

**Ask your health care professional which Catalyn is right for you!**

You've heard of Catalyn.  
But do you know its fascinating story?

---

*Catalyn was developed in 1929 by our founder, Dr. Royal Lee. It was America's first dietary supplement made with whole food and other ingredients. It was created to address the deficiencies caused by what was then a fast-growing processed food industry.*
